Our Fall/winter 200 Hour (Vinyasa focused) Yoga Alliance Verified Teacher Training course as targeted to kick off in mid to end October and anticipated to run through end of January 2022.

To attain the 200 hours, those enrolled in the course will have meet for instructional time, which we plan to schedule on some Saturday and Sunday afternoons and there may be a couple weekday or evening dates to accommodate schedule conflicts. In addition to this time, those enrolled are to take a 3 regular schedule classes during the week and the trainee can chose the best time from the schedule that works for them. Trainees will be able to take unlimited classes at the studio during their training and they can be taken online or in person.

The combined instructional time with lead instructor + classes taken + non-contact hours for reading, studying, and assignments will add up to the total 200 hours needed to complete the course.

At the end of the course a Seva Class (benefit Class) will be organized and put on by the group. If in studio is not possible, we will try to do it in a virtual or outdoor format or eventually plan to do it when possible. At the conclusion of the program trainees must complete guiding a minimum of 3 volunteer community classes before being able to be able to teach independently.
